

D-FINE OUTSIDE ACCESS DEVICE

Description

- Optional outside access device (OAD) with lever handle available for use with D-Fine Modular and Touch Bar ranges.

Grade 316 Stainless Steel

Application

- Where outside access is required two threaded screws allow the centre mechanism of the device and outside access to be bolted securely together.
- Standard spindle suitable for doors up to 100mm thick.
- OAD comes complete with a standard 40mm half Euro cylinder.
- Keyed alike and high security options available to order.
- Suitable for corrosive atmospheres.
- Suitable for high end projects.
- Salt spray tested to 800 hours.
