Bespoke Accessories

Focus SB can produce and manufacture bespoke accessories including combination plates and various multi gang plates to meet your exact requirements in this range please contact one of our product consultants for further details.

Fitting of Products

All electrical products must be fitted by a fully qualified electrician, failure to adhere to this voids any warranty on the products.

Interiors

Focus SB utilise various suppliers for the interiors which are supplied with their plates, predominantly used in this range are:

Power outlets and switching modules: The Wandsworth Group LTD, Focus-SB LTD

All interiors in this range are designed to run on British Standard 240v current. Non UK standard interiors are available upon specific request, please contact one of product consultants for further details.

Standards Conformance

All switches are designed and tested to BS EN 60669-1 and are suitable for UK metal flush boxes to BS4662. Boxes, plates and grids must be earthed and if fitted outside the UK permission/approval must be obtained by the local or national electricity supplier and/or approvals authority.

13 amp sockets conform to BS1363

5 amp & 2 amp sockets conform to BS546

All switches are CE marked and comply with EU safety and health and environmental requirements as required.

All products supplied by Focus SB in this range in compliance with The EU REACH Directive No 1907/2006 with respect to Substances/Chemical classified as SVHC

Warranty

Interiors: 12-month manufacturer warranty against product fault

Plates: 12-month manufacturer warranty against product fault

Quality Accreditation

Focus SB is ISO 9001:2008 registered by ISOQAR registration number 3930

Country of Manufacture

All Focus SB products are made and produced in England at our factories in St Leonards on Sea.
