FOUNDATION

Foundation is the high quality surface offering consistent bounce and spin with grip underfoot.

Product

Needlepunch product that combines polypropylene and polyamide fibres to give improved foot-grip.

Upgrade

Ideal for enhancing and renewing old or worn indoor multi use games areas.

Stability

The flat resin bonded surface remains flat and in contact with the sub base for the playing life of the installation.

Fast Installation

Manufactured 4m wide so fewer seams.

Multi-Sport

Suitable for indoor tennis, cricket, football and netball.

Warranty

Subject to conditions and exclusions, all products are guaranteed against defects in manufacturing, materials and workmanship, ultra violet degradation and excessive wear. Conditions apply, contact Playrite directly for additional details. Quality assured to British standards.

Inlaid Line Option

Lines can be permanently inlaid in white or red.

Player Friendly

Excellent grip properties help minimise joint stress.

Performance

The single layer construction maximises surface life expectancy.

Multi Coloured

Available in green, terracotta and blue colour options.
