

MORE FROM WOOD.

Egger PerfectSense Topmatt

**The hard-wearing matt laminate
for horizontal surfaces.**

Topmatt looks good for longer.

Topmatt is the latest addition to the PerfectSense range of premium high-gloss and matt products from EGGER.

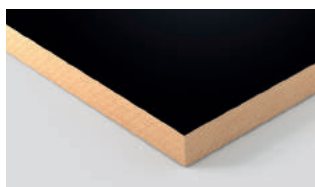

This supermatt laminate, cured using electron beam technology, is **anti-fingerprint** and **scratch-resistant**. This makes it ideal for **horizontal** surfaces in high-traffic application areas such as kitchens, offices and hotels.

The **smooth** surface is velvety to the touch and **hard-wearing**, giving a high quality, on-trend, **matt** finish.

Product range

PerfectSense from EGGER

Choose the most appropriate material for your intended application from this range of PerfectSense Matt products: pre-finished MDF board for furniture, matt laminate for vertical applications, Topmatt laminate for horizontal applications and matching matt edging.
