

Neo Tiles

Neo-Tile is a durable and diverse finish material that can be installed in most applications where traditional tiles can be set. The tiles are available in a variety of finishes and standard sizes (4" x 4", 6" x 6", 8" x 8", 12" x 12") or as custom sizes.

The basins are hand crafted from 16-gage heavy stainless steel as well as a solid copper option in two standard sizes, 13-1/2" and 18" outside dimension.
