

Vite Task Chair, VIT

Vite is the ideal work chair for the modern office that dictates comfort, flexibility and style. An instinctive task chair that combines simplicity, comfort and functionality. Ideally suited to flexible working environments that demand intuitive work chairs, its ease of use is its forte. Vite offers a 70mm seat slide and 3 degree forward seat tilt as standard. The range is available in a choice of 9 mesh-back colours. Incorporating a synchronised mechanism that responds to your requirements in the fewest of adjustments, the technology behind the chair ensures enhanced geometry and total comfort at all times. The encased dual density mesh-back design offers maximum back support, negating the need for back height adjustment.
