World Woven™ Collection

EN

A world of inspiration

As the name suggests, the World Woven Collection is influenced by textures from around the globe. The designs are inspired by classic woollen textiles, such as tweeds, and come in six Skinny Planks and three square ranges.

World Woven One comprises three subdued styles with increasing complexity in texture and pattern. World Woven Two has three styles, which add brighter colours from the Yorkshire and Scottish countryside. The variation in colour is created using different shades of 100% recycled yarn.

To complement World Woven One and Two there are three accent styles in 50 x 50 cm format: Collins Cottage, Mod Café and Scottish Sett, which are perfect for creating contrasting areas within a carpet installation, or as a stand alone feature rug area.

World Woven brings beauty from around the world to your door.

DE

Eine Welt der Inspiration

Die Kollektion World Woven besteht aus sechs Skinny Planks im Format 25 x 100 cm, ergänzt um drei weitere Produkte im Standardformat 50 x 50 cm. Sie ist inspiriert von Texturen und Mustern aus der ganzen Welt, die auf den Designs klassischer Webstoffe wie Tweed basieren.

Die drei Designs der World Woven One erinnern an Wolle in ihrer ursprünglichen Form, angereichert durch dezente Kontraste. World Woven Two erinnert in ihren drei Designs an die natürlichen Landschaften Englands und Schottlands. Ihre Farbnuancen vermischen sich beinahe zufällig und kreieren ein lebendiges, natürliches Muster aus 100% recyceltem Garn – den zufälligen Mustern gleichend, die die Natur selbst kreiert.

World Woven One und World Woven Two werden durch drei weitere Designs im Standardformat 50 x 50 cm ergänzt: Collins Cottage, Mod Café und Scottish Sett, welche in der Kombination Kontraste schaffen oder durch ihre beispiellose Eleganz als einzelner Rug gleichermaßen überzeugen.

World Woven bringt die schönsten Elemente aus aller Welt in Ihren Innenraum.

World Woven™ Collection

FR

Un monde d'inspiration

Comme son nom l'indique, la collection World Woven est influencée par des textures du monde entier. Les motifs sont inspirés des textiles en laine, comme le tweed, et la collection se compose de six lames au format 'Skinny Plank' et de trois produits en dalles.

World Woven One possède 3 touches feutrées avec une complexité croissante dans les texture et dans les motifs. Les trois styles de World Woven Two apportent la couleur de la campagne du Yorkshire. La variation de couleurs est créée en utilisant des nuances de fibre 100% recyclée.

Pour compléter World Woven One et Two, trois styles au format dalle 50x50 cm viennent s'ajouter à la collection. Collins Cottage, Mod Café et Scottish Sett sont parfaits pour créer des zones contrastées à l'intérieur d'une surface en moquette ou en tant que tapis.

World Woven fait entrer le charme du monde entier dans vos intérieurs.

NL

Inspiratie van overal

De World Woven Collection is geïnspireerd op materialen uit diverse delen van de wereld. De collectie bestaat uit zes stijlen Skinny Planks en drie vierkante stijlen, die gebaseerd zijn op klassieke wollen stoffen, zoals tweed. De kleuren ontstaan door een combinatie van vele tinten 100% gerecycled nylon.

World Woven One bestaat uit drie ingetogen stijlen met een steeds complexere structuur. De drie World Woven Two stijlen voegen heldere kleuren toe, die doen denken aan de heide in Schotland.

Als accent bij World Woven One en Two bieden we drie 50 x 50 cm producten. Collins Cottage, Mod Café en Scottish Sett zijn perfect voor het creëren van een zone binnen een tapijtvloer, of kunnen zelfstandig gebruikt worden als karpet.

World Woven brengt wereldwijde inspiratie naar binnen.

World Woven™ Collection

ES

Un mundo de inspiración

Como su nombre indica, la Colección World Woven está influenciada por texturas de todo el mundo. Los diseños están inspirados en los textiles de lana clásicos, como tweeds, y vienen en seis lamas skinny planks y tres gamas de losetas cuadradas.

World Woven One comprende 3 tenues estilos incrementando la complejidad en la textura y el diseño. Las 3 gamas de World Woven Two agregan colores con más luz inspirados en los campos de Yorkshire y Escocia. La variación en el color se crea utilizando diferentes tonos de fibra 100% reciclada.

Para complementar World Woven One y Two, hay tres estilos acentuados en formato 50 x 50 cm: Collins Cottage, Mod Café y Scottish Sett, que son perfectos para la creación de áreas de contraste dentro de una instalación de pavimento textil, o para crear una zona diferenciada tipo alfombra.

World Woven trae la belleza de todo el mundo a tu puerta.

SE

En hel värld av inspiration

Som namnet antyder är World Woven Collection influerad av texturer från hela världen. Mönstren är inspirerade av klassiska ylletextilier såsom tweed, och finns i sex Skinny Planks kollektioner och tre 50 x 50 cm kollektioner.

World Woven One består av tre dämpade färger med komplexa strukturer och mönster. World Woven Two har tre utföranden, som tillför ljusare färger från Yorkshire och skotska landsbygden. Variationen i färger skapas med olika nyanser av 100% återvunnet garn.

För att komplettera World Woven One och Two kommer även tre accentprodukter i 50 x 50 cm formatet: Collins Cottage, Mod Café och Scottish Sett, som är perfekta för att skapa kontrasterande zoner i rummet eller som en fristående matta.

World Woven ger dig vacker design från hela världen.

| Product Definition | | Tapestry Tufted Patterned Structured Loop Pile |
| Konstruktion | Tuftgemusterte strukturierte Schlingenqualität mit Web-Optik | |
| Descripción | Moqueta modular de pelo cortado estructurado/Tapestry | |
| Description | Velours tufté bouclé structuré à motifs (procédé Tapestry) | |
| Type | Getufte Bouclé met Patroon en Structuur | |
| Descrizione | Bouclé Tufted Structured Tapestry | |
| <hr/> | | |
| Pile Material | 100% Recycled Solution Dyed Nylon | |
| Polfasermaterial | 100% recyceltes Polyamid garngefärbt | |
| Composición Fibra | 100% Poliamida reciclada tintada en masa | |
| Composition | 100% Polyamide recyclé teint masse | |
| Poolmateriaal | 100% Solution Dyed Gerecycled Polyamide | |
| Fibra | 100% Poliammide tinta in massa riciclata | |
| <hr/> | | |
| Pile Yarn Weight / Poleinsatzgewicht / Peso Fibra / | 984 g/m ² ± 5% | |
| Poids de fibre / Poolinzetgewicht / Peso Felpa | | |
| Total Weight / Gesamtgewicht / Peso Total / Poids total / | 4640 g/m ² ± 5% | |
| Totaalgewicht / Peso Totale | | |
| Pile Height / Polschichtdicke / Altura Fibra / | 4.3 mm ± 0.5 mm | |
| Hauteur de la fibre / Poolhoogte / Altezza Felpa | | |
| Total Thickness / Gesamtdicke / Espesor Total / | 8.7 mm ± 0.5 mm | |
| Epaisseur totale / Totale dikte / Altezza Totale | | |
| Gauge/Ends 10 cm / Teilung x 10 cm / Galga x10 cm / | 1/10 – 39.4 | |
| Jauge-Rangs par 10 cm / Rijen per 10 cm / Serraggio x 10 cm | | |
| Tufts per m² / Noppenzahl/m ² / Puntadas m ² / Densité du tuft par m ² / | 124,110 ± 5% | |
| Aantal noppen per m ² / Densità Punti | | |
| Backing Type / Rückenkonstruktion / Soporte / | Graphlex® | |
| Sous-couche / Ruguitvoering / Sottofondo | | |
| Wear Classification / Beanspruchungsklasse / Clasificación al tráfico / | Heavy Contract (EN 1307) | |
| Classement d'usage et de confort / Gebruiksintensiteit / Resistenza all'usura | Class 33 / LC3 | |
| <hr/> | | |
| Radiant Panel / Schwerentflammbarkeit / Clasificación Al Fuego / | (EN ISO 9239-1) | |
| Classement feu / De Radiant Panel Test / Valutazione delle proprietà ignifughe | Euroclass Cfl s1 (EN 13501-1) | |
| Dimensional Stability / Dimensionsstabilität / Estabilidad Dimensional / | ≤ 0.2% (EN 986) | |
| Stabilité dimensionnelle / Dimensioneale stabiliteit / Test Stabilità dimensionale | | |
| Impact Sound Insulation (ΔL_w) / Trittschallverbesserungsmaß / | 27 dB (EN ISO 10140-3) | |
| Impacto Aislamiento Acústico / Réduction du bruit d'impact / | | |
| Contactgeluid absorptie / Isolamento all'impatto acustico | | |
| Rating of Sound Absorption / Gewichteter Schallabsorptionskoeffizient / | α _w 0.20 (EN ISO 11654) | |
| Clasificación de Absorción de Sonido / Coefficient d'absorption acoustique / | | |
| Waarde geluidsabsorptie / Valutazione dell'assorbimento acustico | | |
| Sound Absorption / Schallabsorptionsgrad / Absorción de Sonido / | | |
| Absorption acoustique / Geluidsabsorptie / Assorbimento acustico | | |
| 125Hz | 250Hz | 500Hz |
| 0.00 | 0.06 | 0.12 |
| 1000Hz | 2000Hz | 4000Hz |
| 0.29 | 0.38 | 0.51 |
| (EN ISO 354) | | |
| α _s | | |

Style 8151

4m² - 16 tiles per box (50 cm x 50 cm ± 0.2%)

Light Value: L Value = L according to CIE L*a*b* colour space, Y Value = Light Reflectance Value according to BS 8493
Lichtreflexionswerte: L-Wert = L gemäß CIE L*a*b* Farbspektrum, Y-Wert = Lichtreflexionswert gemäß British Standard BS 8493
Valores de Reflectancia de Luz: Valor L = L según CIE L*a*b* espacio de color, Valor Y = Valor de reflectancia de luz según el estándar británico BS 8493
 Valeurs concernant la lumière: Valeur L = L faisant référence à la méthode CIE L*a*b* pour la couleur, Valeur Y = Valeurs de réflectance de la lumière selon le British Standard BS 8493
Licht waarden: L Waarde = L volgens CIE L*a*b*kleurruimte, Y Waarde = Licht Reflectie Waarde volgens BS 8493
Indici di riflettanza alla luce: Indice L = L secondo CIE L*a*b* colour space, Indice Y = Indice di riflettanza alla luce secondo la norma BS 8493

We have tried our very best to accurately represent product colours. However, due to the nature of printed materials, colour of actual products may vary slightly. Please request a sample to see actual product colour.

Wir versuchen die Farben so naturgetreu wie möglich wiederzugeben. Farbabweichungen lassen sich jedoch nicht ausschliessen. Bitte fordern Sie ein Muster an, um sich von der tatsächlichen Farbe zu überzeugen.

Hemos intentado representar con la máxima precisión posible los colores del producto. Sin embargo, debido a la naturaleza de los materiales impresos, el color de los productos reales puede variar ligeramente. Por favor, solicita una muestra para ver el color real del producto.

Les couleurs présentées se rapprochent au maximum des coloris réels. Toutefois, les procédés d'impression des matériaux peuvent entraîner une légère variation du coloris. Merci de demander un échantillon pour constater la couleur des produits.

Wij hebben getracht de productkleuren zo goed mogelijk te reproduceren. De kleuren van geprint materiaal kunnen echter altijd enigszins afwijken. Vraag altijd stalenmateriaal aan om de daadwerkelijke kleur te beoordelen.

Vi har gjort vårt bästa för att representera korrekta produktfärger. Emellertid, på grund av typen av tryckt material, kan färger på faktiska produkter variera något. Beställ gärna ett prov för att se aktuellt produktfärg.
